

INSTRUCTIONS FOR THE FOLLOWING TESTS

- ➔ AAA (Aortic Aneurysm) Ultrasound
- ➔ Aorto-Iliac Ultrasound
- ➔ Renal Artery Ultrasound
- ➔ Mesenteric Artery Ultrasound

For your test, please do not eat or drink anything at least four (4) hours prior to the exam. If it is absolutely necessary that you take medications within the four hour period prior to testing, please take them with sips of WATER only. Also, take (2) GAS-X tablets with sips of water or (2) tablespoons of Mylanta at least one hour prior to the exam to get rid of any residual bowel gas that may interfere with the ultrasound exam. These anti-gas products may be purchased at any local drug store without a prescription. Also, please do not smoke or chew gum at least one hour prior to the exam.

IF YOU ARE DIABETIC you must not eat or drink anything three (3) hours prior to your testing only. If you need to take medications within the three hour period prior to testing, please take them with sips of WATER only. Also, take (2) GAS-X tablets with sips of water or (2) tablespoons of Mylanta at least one hour prior to the exam to get rid of any residual bowel gas that may interfere with the ultrasound exam. These anti-gas products may be purchased at any local drug store without a prescription. Also, please do not smoke or chew gum at least one hour prior to the exam.

BECOME A MORE INFORMED PATIENT

A more educated patient is a more compliant and, therefore, healthier patient. Follow these steps to become more educated about your vascular condition, treatment, and after-care requirements:

1. Go to our website at www.cheyennevascular.com.
2. Click "Log In" in the upper right corner of the site.
3. Under *Patient Registration*, click "Sign Up."
4. In the *Practice Code* box, type "SWVASCULAR" and click "Continue."
5. Complete the registration form and click "Continue."
6. Follow the online instructions to complete the process.
